

Step 1: Paw Print – Large

Print out your preferred size (Small, medium or large). Once done, place the stencil over the front of your pumpkin, push through the dotted line onto the pumpkin with a sharp object and then draw over the created outline with a dark pen.

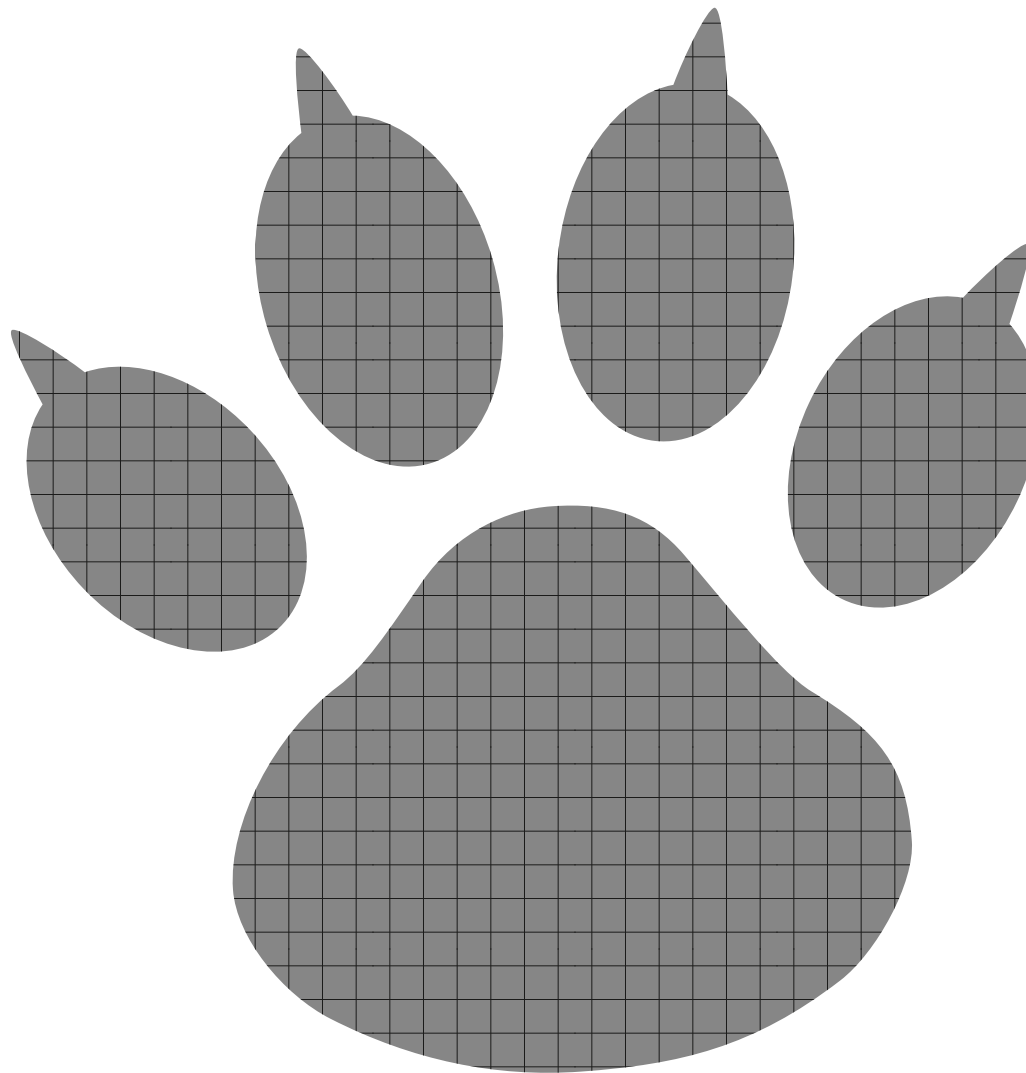

Step 1: Paw Print – Medium and Small

Print out your preferred size (Small, medium or large). Once done, place the stencil over the front of your pumpkin, push through the dotted line onto the pumpkin with a sharp object and then draw over the created outline with a dark pen.

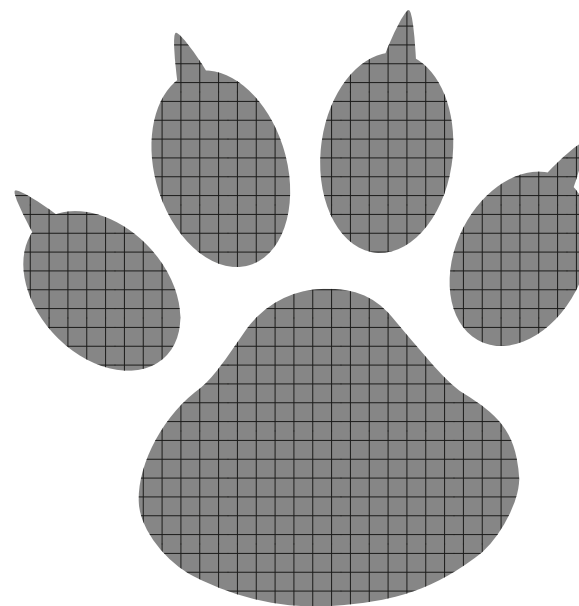

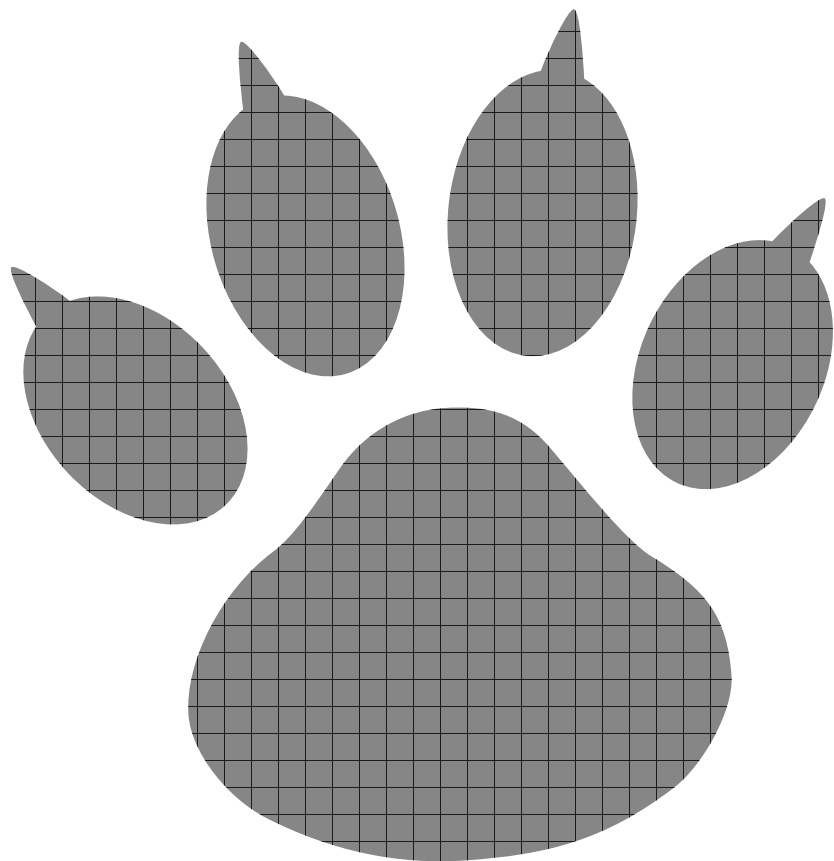

Step 2: Paw Print – Large

Using a knife or sharp pair of scissors (with care!), carve out the shaded areas to leave you with your design.

Step 2: Paw Print – Medium and Small

Using a knife or sharp pair of scissors (with care!), carve out the shaded areas to leave you with your design.

Step 3

Place a candle in your pumpkin and enjoy!
